Questions and answers

Q What is Denplan Care?

A Denplan Care is a comprehensive dental payment plan. It's a way of spreading the cost of your routine and restorative dental care as specified by your dentist. The plan includes worldwide dental injury and dental emergency cover (Supplementary Insurance) and access to Denplan's 24-Hour Worldwide Dental Emergency Helpline for support and dental advice.

Q When will my Denplan Care contract start?

A Your dentist will agree the start date for your Denplan Care contract with you. This date will always be the first day of a month.

Q How will Denplan Care benefit my dental health?

A You can use Denplan Care to support a preventive approach to your oral healthcare. Regular check-ups, dental care and oral health advice can help reduce the need for costly and complex dental treatment.

Q How much does it cost?

A As the dentist sets their own fees, we are unable to quote a price. It will depend on the amount of care you need. Please note that there is a one-off registration charge of £15 on joining.

Q Are there any discounts available?

A Yes. Where more than one member of a family (or group) is registered with any Denplan dentist at one practice, the following discounts apply:

Two family/group members	– 5%
Three family/group members	– 10%
Four or more family/group members	– 15%

Please note: to qualify for discount, all payments must be collected using a single Direct Debit. All correspondence will be sent to the address of the person who pays for the dental payment plans.

Q Who am I in contract with?

A For the dental care you receive under Denplan Care you are in contract with your dentist.

For the Supplementary Insurance element you are in contract with Simplyhealth Access and you are in contract with Denplan for the Denplan Insurance Services.
